

# Personal Profile

## Lillias Bovell

B.Sc. M.A.I.C.D.

### Executive Director

Appointed Executive Director of the Publishers National Environment Bureau (PNEB) in 2008, Lillias Bovell is one of Australia's leading environmental professionals with a proven track record of achievement.

She has extensive understanding and knowledge of State and Commonwealth Government regulatory regimes and mechanisms having worked with all levels of Government in policy development and regulatory roles, including guiding the design and implementation of a world class, web-based interactive hazardous waste tracking system for the WA Government.

The immediate past President of the Waste Management Association of Australia and a former elected member of Local Government Lillias has participated in government delegations nationally and internationally.

Lillias is an effective communicator and accomplished public speaker having been invited and given presentations at National and International conferences and was a guest lecturer at Bordeaux University.

Prior to joining the PNEB she successfully established her own environmental consultancy specialising in strategic planning, government relations and advice to the industrial, bio-security, quarantine and bio-hazardous waste sectors.

Lillias has a Bachelor of Science degree in Environmental Science, qualifications in Medical Laboratory technology and is a Member of the Australian Institute of Company Directors.
